**REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. 1.323**

It is hereby requested that a Certificate of Correction pursuant to 35 U.S.C. 255 be issued to correct an error made in the above-identified application.

Please state the name of the assignees as follows:

(73) Assignees: Bar Ilan University, Ramat Gan (IL)
Yale University, New Haven, CT (US)

This Request for a Certificate of Correction is being filed concurrently with a Petition After Payment of Issue Fee Under 37 C.F.R. 3.81(b) for issuance of the application in the name of the above-identified assignees after the payment of the issue fee and before the issuance of the patent. The Assignment was inadvertently not filed prior to the payment of the issue fee and is clearly a mistake of a clerical nature and of minor character and not the fault of the U.S. Patent and Trademark Office.

Serial No: 10/582,813
Filing Date: June 14, 2006

The correction would not involve such changes in the patent that would constitute new matter or require reexamination.

Also attached is a Certificate of Correction (Form PTO/SB/44), which has been prepared to state the requested correction. It is respectfully requested that the sealed Certificate of Correction be forwarded to the undersigned at the address listed below.

Please charge deposit account No. 50-0447 in the amount of \$100, plus any deficiencies.

In the event that any issues remain which prevent the issuance of the Certificate of Correction, it is respectfully requested that the undersigned attorney be contacted so such issues can be resolved.

Early and favorable action is earnestly solicited.

Respectfully submitted,

By:
